

Health Coverage that Goes Far & Beyond

Myth: US Health Insurance covers my clients anywhere.

Fact: US Health Insurance provides little or no coverage for US citizens living abroad; and many non-US citizens may not be eligible.

MNU has the right major medical plan for clients with an international lifestyle! The International Citizen Series provides what you, the agent, need to succeed in the international insurance world:

- Covers US citizens living abroad
- Covers Non-US citizens outside the US
- Covers Non-US citizens who don't qualify for US coverage
- Online support, quoting & applications
- Outstanding marketing materials
- Higher commissions
- Your personal International Account Executives ready to help you close the business
- Unequaled real-time assistance services, plus 24/7 live customer service
- The support and security of Lloyd's, London
